① A mom and her son, Joe, are in a library walking by the shelves. Mom keeps picking up different books for her son.

MOM
How about this book? It looks interesting.

Mom holds up a book with a pony on the cover.

② JOE
No, I don't want this book.

MOM
Why not? It was one of my favorites when I was a kid.

JOE
I just don't like that one.

③ Mom keeps searching while Joe, looks around the library unhappily. ④

⑤ MOM
How about this one?

Mom finds a book about dresses.

JOE
No, mom. I... How about one with race cars?

MOM
Oh, no. Race cars are horrible. They make so much noise and all they do is go around in circles again and again. Nothing but left turns.

JOE
Fine, I'll take the one about ponies.

⑥ Joe goes up to the circulation desk to check out the book. As he give the book to the librarian, Joe's two friends, Bob and Frank come up.

BOB
Hey, Joe. Whatcha got there?

Joe looks surprised and puzzled and a little scared. The librarian gives Joe the book and says.
