

### WEB PAGE PEER REVIEW

	Needed Revisions	Questions	Well Done!
<b>Written Text:</b>			
1. Text includes most important information (who? what? where? when? why?)			
2. Details are relevant to the topic and interesting.			
3. Text is logically organized and transitional words connect ideas and paragraphs.			
4. Language usage is correct (no fragments or run-on sentences; subject-verb agreement)			
5. No errors in spelling, punctuation, and capitalization.			
<b>Graphics:</b>			
1. Images and other graphics are well chosen, supplement the text, and are proportionate to the page			
2. Captions are included and fully explain the graphics			
3. Layout: Page is visually appealing and uncluttered
