

Creative Writing Travel Permission

As part of our Creative Writing curriculum, our students engage in some type of community project. This year, we have teamed with Forest Heights Elementary School to initiate an afterschool writers' club. Twenty students from Forest Heights will join members of our Creative Writing class once a week for writing workshop. It is hoped that the Forestview students will help the Forest Heights students to focus on their writing, to create multimedia projects, and to become partners as writers.

In order to accomplish this, the Forestview students will travel to Forest Heights once or twice a week during the Creative Writing class period. Students will need to drive their own cars or ride with another student to get to the school. Please sign the permission below and return it to me as soon as possible so that we can begin this valuable work. Our students are so excited about getting to Forest Heights and working with the students and as quickly as we receive all the permissions, we can begin.

Two copies of this request are enclosed. Please sign both copies, return one to the school, and keep the other for your files. Thank you for your consideration.

I (we) grant permission for my child _____ (student's name) to drive his/her car or ride in the car with another student from Forestview High School to Forest Heights Elementary School and a return trip to Forestview on Tuesday afternoons for the remainder of this semester. I understand that the trips may increase to two days per week as the work progresses.
