

**Afterschool Writer's Club
High School Student Release Form**

Your child has been selected to participate in an afterschool writing program, a partnership between Forest Heights Elementary School and the Creative Writing Program at Forestview High School. This project will give your child an opportunity to share his/her writing experiences with elementary school children. We will explore storytelling and create digital stories that explore our own literacy. In addition to many other activities, your child may collect photographs and data, read his/her stories, and create a video of his/her own story, as well as help the elementary school children do the same. Your child also will participate in some group activities that will be videotaped.

We may ask to use some of your child's work for educational purposes by the elementary school, the high school, Mrs. Lucretia Rice (principal) or Sally Griffin (creative writing teacher). Prior to the use of any materials, you would be notified.

We would appreciate your permission to include your child's work in any of our educational endeavors, including use for advertising, publicity, and promotional purposes.

The student's real name may or may not appear.

Two copies of this request are enclosed. Please sign both copies, return one to the school, and keep the other for your files. Thank you for your consideration.

I (we) grant permission for the use of _____ (student's name) material as described above.
