

Analyzing a Photograph

Carefully look at the photograph by breaking the image into four quadrants and record what you see in each section of the image.

<p>People:</p> <p>Objects:</p> <p>Activities:</p>	<p>People:</p> <p>Objects:</p> <p>Activities:</p>
<p>People:</p> <p>Objects:</p> <p>Activities:</p>	<p>People:</p> <p>Objects:</p> <p>Activities:</p>

Based on your observations above, what are three things you can infer about the photograph and how it can be used to document a social change issue?
